THE PROCESS

This nomination form and any letters of second received will be collected by the executive director. The documents will be shared at one time confidentially with the Hall of Fame Selection Committee. The committee members will individually score the nominations based on weighted scores:

- Contributions to MiPPA
- Contributions to the Industry
- Contributions to the Community

The scores will be tabulated by the executive director and a meeting of the Hall of Fame Selection Committee will be held to discuss the merits and scores of the nominees. The MiPPA President will notify both those selected and those not selected within one week after the meeting.

The selection(s) will be announced at Promotions That ROAR! and featured in the October MiPPA Monthly Newsletter. Press releases to industry publications will follow.

The Hall of Fame Induction and Celebration will take place at the MiPPA Members Annual Meeting and Dinner in November.
